TO ALL PERSONS INTERESTED:

You have expressed interest in procedures enacted by the Nebraska Legislature, which provide for the public to make application to the Nebraska Public Service Commission for a change in telephone service areas. The sections of statute related to this procedure are: 86-135, 86-136, 86-137 and 86-138 and can be viewed by following these steps:

1. Type <http://nebraskalegislature.gov/>
2. Type the statute number in the search box
3. Click the "Exact" box
4. Click the "Search" button
5. When the statute appears, click "View document"

Also included in this information is a sample application form, which may be used as an example in preparing an application under this law. This form can be used as the application itself or as a guide to indicate what should be included. An original and one copy of the application should be filed with the Commission. If an attorney does not file the application, it must be notarized.

It is not necessary that each individual submit a separate application if he is a member of a group requesting the same boundary change. A joint application of all members of such group may be made.

**Each application should be accompanied by a check payable the Nebraska Public Service Commission in the amount of \$250.00 if request made by certificated carrier, and \$50.00 if made by consumer.**

If you have any questions concerning the preparation of your application or require additional assistance, please contact the Commission at 800-526-0017.
