Subject: Comments Regarding LB499 Issues

Dear Sir:

Dinklage Feed Yard, Inc., Alliance Division, is requesting the Nebraska Public Service Commission, in regards to LB499, grant permanent waiver status that would allow transport charges not being assigned to us.

Dinklage Feed Yard needs the flexibility to purchase gas whenever we feel a price fits our needs. We are advocating a permanent waiver for our account for the volume of 500 therms as per the definition of average consumption in LB499.

Dinklage Feed Yards is a large consumer of natural gas in Nebraska at other locations served by Kinder Morgan. It is our wish the commission will consider a permanent waiver.

Thank you for your consideration in this matter.

Respectfully,

THOMAS J. O'CONNELL, JR.
