BY THE COMMISSION:

The Commission received a letter dated November 19, 2009, from Harding & Shultz for Public Advocate's Consultant services cost associated with the above-captioned docket incurred from August through November 2009, totaling \$19,950.00. Commission staff has reviewed the invoices and found them to conform to the Agreements dated October 23, 2009, and November 15, 2008, between the Commission and Harding & Shultz.

Investigation-related assessments are governed by *Neb. Rev. Stat.* § 66-1840, which specifies a maximum limit on the amount that may be assessed to a jurisdictional utility during a fiscal year.

The maximum amount assessable to SourceGas pursuant to *Neb. Rev. Stat.* § 66-1840 during the 2009-10 fiscal year is \$346,174. On August 18, 2009, the Commission voted to allocate the maximum amount assessable between the Public Advocate and the Commission consultants, setting aside up to \$100,000 for the Commission consultants and the remainder for the Public Advocate. See Nebraska Public Service Commission Minutes, page 7680, August 18, 2009.

The Commission-prescribed limitation for Public Advocate expenses would have been exceeded if the full amount due for this invoice were assessed; therefore assessment at the amount of \$10,000.00 was made December 15, 2009.

Commission staff recommends the Commission approve partial assessment of \$515.16 for the expenses reflected on the invoice against SourceGas Distribution LLC (SourceGas), pursuant to *Neb. Rev. Stat.* sec. 66-1840, as described above.

Upon the recommendations of the Commission staff, the Commission finds that assessment against SourceGas of expenses reflected in the above-mentioned invoice from Harding & Shultz should be approved as described above. The Commission further finds that the Commission should pay the invoice upon receipt of payment by SourceGas.
